

## Rakhi Making Competition

Date: 6th August 2025

Venue: Main Block

Time: 1.30pm

Classes: V and VI (Junior Category)

Theme: *Patriotism*

Materials Used: *Biodegradable and Eco-Friendly Materials*

As a part of the Inter-House Competitions, a Rakhi Making Competition was conducted on 6th August 2025 during the 6th period at the Main Block of Bharatiya Vidya Bhavan's Public School for the Junior Category (Classes V and VI).

The activity aimed to celebrate the sacred bond of Raksha Bandhan while fostering a sense of patriotism and environmental awareness among students. Participants from all houses took part with great enthusiasm and showcased remarkable creativity by designing unique and meaningful rakhis using biodegradable and eco-friendly materials such as jute threads, paper cut-outs, natural colours, pulses, spices, pasta, and fabric scraps.

The theme of *Patriotism* was beautifully reflected in the designs—many of which featured the tricolour, the Ashoka Chakra, and inspiring messages of unity, peace, and national pride.

The competition served as a platform to nurture artistic expression while instilling values of sustainability, cultural heritage, and responsible citizenship. The rakhis were proudly displayed and appreciated by all.

The event concluded on a high note, adding another feather to the cap of the Inter-House Competitions. It was truly a wonderful blend of tradition, creativity, and ecological responsibility.
