

# Red Day Celebrations

On July 19, 2024, Bhavan's Pre-Primary Wing at Bharatiya Vidya Bhavan's Public School, BHEL Township, was transformed into a vibrant celebration of the color red. The day was all about immersing our young learners in the joy of red through a variety

of exciting activities. Our little ones sparkled in their red outfits, adding to the festive spirit. Classrooms were filled with red toys and balloons, creating a lively and engaging environment. The children had a blast reciting rhymes about the color red, blending learning with play. A red-colored car was set up as a fun selfie spot, where children and their parents captured the day's special moments.

The creative highlight of the day was the red handprint activity, where each child left their unique mark in their notebooks. To end the celebration on a high note, every child received a red crown, turning them into adorable kings and queens of the red realm. Red Colour Day was a wonderful mix of learning and fun, leaving everyone with joyful memories and a lasting impression of the color red.
