

## **Lippon Art and Craft Workshop**

The Lippon Art and Craft Workshop was organised on 28th August 2025 from 1:00 p.m. to 3:00 p.m. for the students of Classes VI to VIII. The workshop provided a wonderful platform for students to explore their creativity and artistic talents. They actively engaged in making eco-friendly crafts, paper art, and decorative items, showcasing imagination and skill.

The session was further enriched by Mrs. Rangoli and team an expert resource person from Pidilite, who introduced students to the traditional art form of Lippon. Using moulded clay and mirrors, she demonstrated the technique of creating beautiful mud-based decorative pieces. Students were fascinated to learn this cultural art form and enjoyed applying the techniques themselves.

The programme was well-coordinated by Mr. J. Ramakrishna and Mrs. Shabana Javed, who guided the students throughout the activities. Their encouragement and creative inputs made the session lively and inspiring. Students participated with great enthusiasm and carried home their handcrafted creations, making the workshop both joyful and enriching.
